**“हमको मन की शक्ति देना मन विजय करें,
दूसरों की जय से पहले खुद की जय करें”**

“Ideology & Vision” of Vivek Vidyalaya Alumni Association (V.A.A.) - 2025.

"Great results are attained only by great patience, great courage & great attempts."
-Swami Vivekananda.

Vivek Alumni Association (registered charitable trust) is an Organisation formed in 2011, functioned by the former students of Vivek Vidyalaya School & College located at Siddharth Nagar, Goregaon West, Mumbai 400062.

The school was formed in the year 1962 by visionary Founders who prioritised quality education to all & were inspired by the thoughts of '**Swami Vivekananda**'. Vivek Alumni Association also takes it's aspirations from the vision of '**Swami Vivekananda**', to make the nation self-reliant & a global leader.

The Association has evolved in the past so many years with many of our former students having actively participated in the development of the ideology & today the association functions seamlessly under the **Leadership of Smt. Jayashree Unni** - student of the 1st passing out batch of 1969, a Teacher at Vivek Vidyalaya retiring as the Vice Principal in the year 2011. She was invited to join the Alumni Association in the same year after which she functioned passionately & selflessly as the Vice President until 2024, being unanimously chosen as the current Chairperson of the Association. Today, under her leadership, the current team of members consists of former students coming from established backgrounds from the field of Education, Administration & Business, including a good mixed bag of generation's right from the initial batches to the Millennial Generation to Gen Z.

'Ideology':

To bring back the era of the legendary administrator 'Smt. Chellamal Murthy'.

Vivek Vidyalaya witnessed its most glorious days under the leadership of former Principal **Smt. Chellamal Murthy**. The educational institute witnessed exponential growth & popularity in the arena of "Education, Sports & Extracurricular Activities" alike, under her single handed leadership. Vivek Alumni Association aspires to bring those days back for the current students pursuing their dreams at Vivek Vidyalaya & to function as in ideal ex-students Organisation who takes care of their own as well.

initiative. Initiatives such as these which are possible only due to the contributions made by the large-hearted community of ex-students, further empower & inspire the said parents to transform their endless struggles into positive opportunities. The unexpected financial backing brings about an unseen happiness for the said families which in turn creates a motivation for the said parents to do better for their children which finally transforms into a positive change, not only in the outlook of the said parents but also the attitude of all such children.

We aspire to provide an array of choices to each & every child at Vivek Vidyalaya to pick & choose from every single opportunity created by the mutual efforts of the Association & the Education Society. Only by creating such opportunities & giving a platform to each child who is as deserving as the other, will India become a Global Leader & The renewed Capital of Global Trade, just as it was centuries ago. The only way to do this is by eradicating poverty which is only possible by Facilitating Opportunities to both Parents & Children alike.

Vivek Alumni Association is committed to achieving its Vision with the support of our Ex-students community guided by our Ideology & inspired by none other than '*Swami Vivekananda*' himself.

Sincerely,

Smt. Jayashree Unni – Chairperson

On behalf of the entire Managing Committee & Associated Team Members of V.A.A. – Vivek Alumni Association, Registered Charitable Trust.
